Calculating Your Pledge

If you are unsure of what an appropriate pledge might be for someone in your circumstances, use the link above to review the UUA Suggested Fair Share Pledge Guide. The Guide is a matrix that attempts to join personal income to levels of commitment. Use the same link if you'd like to see the church's general pledge profile in recent years, including the evolution of our average and median pledge level.

And, of course, you always have the option of contacting Mark Lore, Stewardship Committee Chair (540/678-0963: mslore1@comcast.net) or another member of the committee for further information or assistance.

Paying Your Pledge

A pledge commitment form is enclosed in this packet. If you need an additional copy, use the link above. Once completed, the form can be put in the pledge box that will be in the Narthex from Feb. 12 to March 12, or put in the offertory basket, or mailed to the Church Administrator, P.O. Box 1574, Stephens City, VA 22655.

Paying Your Pledge Through Automatic Bank Transfer

Automatic monthly payment through your bank is easy and secure – you are assured of meeting your financial obligation to the church and the church enjoys more predictable cash flow. Use the link above for further information.
